

MC²

Manifestation and Creation Squared

MC² is an adventure in consciousness that helps make your dreams come true!

Commune deeply with the creative, incarnating, and guiding essences of the life force by opening to highest heart energy in each sacred moment.

**Expand your intuition, wisdom, and synchronicity.
Enjoy deep personal transformation.**

Experience first-hand the high-focused energy and empowering beliefs necessary to achieve psychokinesis (PK). This natural but often dormant ability uses the power of our non-physical energy to influence physical matter.

In MC² you use PK energy to bend spoons, grow seeds, influence computers and dice, and illumine light bulbs. The immediate feedback of these exercises proves that PK is real and that you can do it! As your confidence and effectiveness soars, the same PK energy is applied to life-changing transformation - healing of body, mind and spirit, liberating belief systems, expanding wisdom and intuition, and creating what you desire. Then we use PK to channel wonderful group energy, with assistance of non-physical helpers toward healing the earth.

**MC² teaches how to use the expanded consciousness learned at TMI
to enhance life in the physical.**

Experience unique HemiSync exercises, intensive healing and manifesting circles, belief shifting exercises, visualizations and affirmations.

Bring your spirit's energy fully into your body. Allow your physical body and emotions to speak freely with you. Be nurtured by earth's sacred energy - so that you truly experience being spirit and flesh at the same time. This is MC²'s definition of being expanded yet grounded. Such consciousness is lively, joyful, vivid, confident, and fun. Enjoy feeling heart-connected to guidance, nature, and other people.

MC² was developed by Joe Gallenberger, from his highly rated Vegas Adventure program, where hundreds of participants in 25 workshops over five years have used PK to experience deep healings and the ability to manifest successfully in a real-world, rough and tumble environment.

MC² participants have experienced instant physical and emotional healing, manifesting what they desire, miracles of PK, deep personal transformation, empowerment, and tons of fun.

Celebrate the miracle of human living at its fullest!
